

T-BUGGY

Innovation, Style, and Autonomy

Founded in 2023 in San Sebastián, T-Buggy is setting a new era in sustainable mobility with Spain's first luxury street-legal golf cart. Designed for leisure and golf, T-Buggy combines modern style with advanced technology to offer a unique experience. This electric, connected, and autonomous golf cart is ideal for golf courses, resorts, theme parks, and university campuses, providing driverless movement with its ADAS system (featuring radar, LiDAR, cameras, GPS, sensors, and more) for maximum safety and comfort.

With an adjustable speed of up to 50 km/h and a range exceeding 100 km, T-Buggy is versatile, efficient, and environmentally friendly, thanks to its electric system and optional solar power. Available in various colors and styles, its design allows you to enjoy any environment safely and elegantly.
